Re: April Quarterly Report (1/1/00 - 3/31/00)

Dear Mrs. Kelly,

This responds to your letter dated, September 5th, 2001, in which you require us to review the discrepancy between the beginning cash balance of this report and the ending cash balance of the previous Year End Report (10/26/99 - 12/31/99).

In order to correct all the discrepancies that you itemized in your current and previous letter regarding the Year End Report (10/26/99 - 12/31/99), dated September 5th, 2001, we reviewed our files and made several amendments to all signaled reports and to the subsequent reports affected by the discrepancies. The changes made are as follows:

1. The 12 Day Pre-Primary Report (7/1/99 - 10/25/99), dated 8/10/00, was amended after the finding of certain discrepancies. This change led to the amendment of all subsequent reports (please refer to our letters dated December 18, 2001). In addition, we include a copy of the corrected pages of the April Quarterly Report (1/1/00 - 3/31/00) which came about as a result of the amendments made to the 12 Day Pre-Primary Report (07/01/99-10/25/99) dated 8/10/00.
2. The following are further corrections on the April Quarterly Report (1/1/00-3/31/00) that were deemed necessary:
 - a. Changes to beginning and ending cash balances in Summary and Detailed Summary pages.
 - b. Page 1, Schedule B - disbursement made out to Video Vision in the amount of \$3,600.00 should have been addressed to Encuentro Vision (included is a copy of the check). Consequently, on page 14, Schedule D we canceled Encuentro Vision's debt and on page 18, Schedule D we correct Video Vision's debt (\$4,000.00).
